

The Soaring Eagles, The Retired Pilots Association of US Airways, will be holding its 25th annual reunion this year in Charlotte, NC, on September 21, 22, and 23, 2001. Day one begins at noon with registration, checking into the hotel, visiting the hospitality room to see old friends, and an evening reception with refreshments and hors d'oeuvres. Day two starts with a member breakfast followed by golf, tennis, sightseeing, or "hanger flying" in the hospitality room. The day will end with a tour of the Dale Earnhardt Showroom and dinner. On the last day, there is a morning business meeting for the pilots and a free afternoon. The reunion ends with an evening reception and a banquet with a guest speaker.

All US Airways pilots over 50 years old are welcome to join the Soaring Eagles and attend the reunion. There is a \$25 initiation fee to join, and if you are retired, or between 55 and 80, there is a \$35 annual dues. If you are under 55 and an active pilot, you are considered a non-dues paying associate member, and if you are over 80 there are no dues. The moneys are used for miscellaneous expenses of the association and to publish a quarterly newsletter, the *Eagles Aerie*. Our newsletter contains articles of interest to the membership, a roster of names and addresses including e-mail addresses, and a special section for members' personal news.

To join, fill out the application in the *US AIRWAVES* and mail it to the address shown on the application. Do it today. Don't put it on your "to do" list; put it on your "done" list. It's a great way to stay in touch with the friendships you have made during your career.
