

US Airways ALPA MEC Training Committee

Airbus Training Survey

The US Airways ALPA Training Committee is asking for your assistance. At your convenience, please fill out the enclosed Airbus training questionnaire. All responses will be strictly confidential, so please do not identify yourself. Also, please feel free to write any comments or observations about your training experience on the back of the last sheet.

If you would like, please let us know what elements of the program need to be addressed, changed, deleted or kept in place. Thank you for your assistance and input.

Computer Based Training

Please answer the following questions by circling your responses. Feel free to submit additional comments on the reverse side of this survey or on a separate sheet.

	1 = Poor		Excellent = 5		
1. What is your opinion of Airbus computer based training?	1	2	3	4	5
2. In your opinion, was the subject matter covered in Airbus CBT presented in a logical order?	1	2	3	4	5
3. Were you able to accomplish your daily assignments in the time allowed for CBT each day?	1	2	3	4	5
